

Do You Believe Me Now

J Rice

Do you remember the day I turned to you and said
I didn't like the way he was lookin at you, yeah
And how he made you laugh
You just couldn't get what I was sayin
It was my imagination So do you believe me now?
I guess I really wasnt that crazy
And I knew what I was talkin bout
Every time the sun goes down
He's the one that's holdin you baby
Yeah, and me I'm missin you way across town
So do you believe me now? I'm kickin myself for bein the one foolish enough
Givin him the chance to step in my shoes, oh
He was bidin his time when he saw our love was havin
A moment of weakness, he was there between us So do you believe me now?
I guess I really wasnt that crazy
And I knew what I was talkin bout
Every time the sun goes down
He's the one that's holdin you baby
Yeah me, I'm missin you way across town
So do you believe me now? Ooh yeah, I bet now you see the light
Ooh yeah, what's the use in bein right?
When Im the lonely one tonight So do you believe me now?
I guess I really wasnt that crazy
And I knew what I was talkin bout
Every time the sun goes down
He's the one that's holdin you baby
Yeah, and me I'm missin you way across town
So do you believe me now? Yeah, so do you believe me now?
Yeah, every time the sun goes down
He's the one that's holdin you baby
Yeah, and me I'm missin you way across town
So do you believe me now?
