Love will keep us alive

[unknown]

I was standing
All alone against the world outside
You were searching
For a place to hide
Lost and lonely
Now you've given me the will to survive
When we're hungry
Love will keep us alive
Don't you worry
Sometimes you've just gotta let it ride
The world is changing
Right before your eyes
Now I've found you
There's no more emptiness inside
When we're hungry
Love will keep us alive
I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do
Now I've found you
There's no more emptiness inside
When we're hungry
Love will keep us alive
I would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't do
I was standing
All alone against the world outside
You were searching
For a place to hide
Lost and lonely
Now you've given me the will to survive
When we're hungry
Love will keep us alive
When we're hungry
Love will keep us alive
When we're hungry
Love will keep us alive
