Side Effects (feat. Emily Warren)

The Chainsmokers

[Verse 1]
It's 4AM, I don't know where to go
Everywhere is closed, I should just go home, yeah
My feet are taking me to your front door
I know I shouldn't though, heaven only knows[Pre-Chorus 1]
That ooh, the side effect to my loneliness is you[Chorus]
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
[Verse 2]
This happens every time I try to mix
Decision making with one too many drinks[Pre-Chorus 2]
But, ooh, if late night friends have consequences, cool yeah[Chorus 2]
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonightOh, I think about it all the time
Make it happen in my mind, I'm telling you, yeah
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
[Bridge]
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line[Chorus 2]
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight, yeah
Oh, you're all that I want

No good at giving you up
Come on and give me some love tonight, yeahI, I think about it all the time
Make it happen in my mind, I'm telling you, yeah
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight[Outro]
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
