

# Sad, Sad Music (Acoustic Version)

Dwight Yoakam

There should be music  
Sad, sad music  
But this silence that you left  
Is all that I have I must have missed a couple days  
Or just forgotten  
What went wrong or where it all  
Fell apart And I now you must have told me  
You were leavin'  
It just never crossed my mind  
You'd take my heart There should be music  
Sad, sad music  
The kind the movies have  
When love like ours goes bad There should be music  
Sad, sad music  
But this silence that you left  
Is all that I have I'd swear that I woke up with you  
This morning  
But I can see that it's been days  
Since you were here Every night it still hits home  
Without a warning  
As my world becomes a flood  
Of scalding tears There should be music  
Sad, sad music  
As you walk away  
Without looking back There should be music  
Sad, sad music  
But this silence that you left  
Is all that I have  
There should be music
