

# Sugar Blues

Ella Fitzgerald

Have you heard these blues  
That I'm gonna sing to you  
When you hear them they will thrill you  
Through and through  
There the sweetest blues you ever heard  
Now listen and don't say a wordSugar blues  
Everybody's singing the sugar blues  
The whole towns ringing  
My loving man sweet as can be  
But the doggone fools  
Turned sour on me  
I'm so unhappy  
Feel so unhappy  
I could lay me down a die  
You could say what you choose  
But I'm all confused  
I got the sweet, sweet sugar blues  
More sugar  
I've got the sugar bluesSugar blues  
Every singing the sugar blues  
My loving man sweet as can be  
But the doggone fools  
Turned sour on me  
I'm so unhappy  
Feel so unhappy  
I could lay me down a die  
You could say what you choose  
But I'm all confused  
I got the sweet, sweet sugar blues  
More sugar  
I've got the sugar bluesYea!
