

# Garden

## Hulaboy

In the cool of the day  
You come and meet me  
All the blue fades away  
The stars are winking  
Your love's so strong  
I can't recall  
What was this thing  
They called the fall?  
And You walk with me  
You never leave  
You're making my heart a garden  
Oh, why would I hide  
Away from Your face  
When the light of Your love  
Illuminates?  
Your hand in mine  
A steady line  
Drawn on my heart  
And deep in my mind  
And You walk with me  
You never leave  
You're making my heart a garden  
All the broken are mending  
The mournful rejoicing  
Seeing through tears  
Of peace overflowing  
And You walk with me  
You never leave  
You're making my heart a garden  
Yeah, You walk with me  
You never leave  
You're making our world a garden
