

You Don't Love Me Anymore

[Tim Mcgraw](#)

She walks over to him and she says do you remember me
I think we might have met somewhere before
Southern Carolina is the place that comes to mind
But hey, I guess you never really can be sure
Oh, there's nothing like a true love
To go and make a fool of someone just like before
And right there for a minute
I forgot that you don't love me anymore
And an old familiar feeling
Wraps its arms around the moment
And he says so many times I've tried to call
Well, you think you'd spent a lifetime
It's been two years since I've seen you
But it seems just like no times gone by at all
There's nothing like a real love
To give you back the feel of someone just like before
And right there for a minute
I forgot that you don't love me anymore
Oh and how far we'll travel
For a place to heal our hearts
We watched it unravel
So why's tonight the hardest part
Then he says the weather's changing
And it's icing up the highway
So I guess it's time for me to hit the road
So she says goodbye and
Then before she knows what she is saying
She says I wish you didn't have to go
Oh, there's nothing like a true love
To go and make a fool of someone just like before
And right there for a minute
I forgot that you don't love me anymore
And right there for a minute
I forgot that you don't love me anymore
