

# Goin' Down Rockin'

**Tony Joe White**

One foot on the mountain  
And the other one in the stream  
All kind of trouble  
And I'm caught in between I can't change my way of doin'  
It's gonna lay like it falls  
'Cause if I can't go down rockin'  
Ain't goin' down at all She was a child of acquired money  
Had that silver spoon  
I knew she had a little wild streak  
Needed breathin' room I can't be your sugar daddy  
I won't be your Neanderthal  
'Cause if I can't go down rockin'  
Ain't goin' down at all, no, no Tonight I had good intentions  
Of crawling into bed  
Resting my body  
And clearing out my head Just about midnight  
I got that telephone call  
'Cause if I can't go down rockin'  
I ain't goin' down at all I won't be your Neanderthal If I can't go down rockin'  
Ain't goin' down at all
