

# I Don't Wanna Grow Up

Bebe Rexha

I don't wanna grow up, no  
I don't wanna grow up  
I'm still naive  
Young, wild and free  
I don't wanna hear it, no  
I don't wanna feel it  
Don't lecture me  
Just let me be

If love is a lie  
It's the most beautiful lie that you've ever been told  
Cause nothin', nothin' makes me feel like you do  
Even though I see through you  
If love is a lie  
Then please don't ever tell me the truth  
Cause nothin', nothin' makes me feel like you do  
Even though I see through you

I don't wanna live it, no  
I don't wanna live it  
Reality  
Just not for me  
Like cheap tequila  
Makes you sick but it tastes so good  
Feels good on your lips, take a sip  
Just one more hit  
I love it when you do it, when you do it like this  
When you do it, when you do it like this
