

# Call Me

## Groove Coverage

Inside every memory  
Of you and me  
The rain begins to fall  
In an all she not my freeze  
I know you want believe  
And me at all  
All your everlasting worlds  
And that a leader  
From desire the end  
But Iâ€™m never ever stop believing  
But Iâ€™m wastes cause a bean

When you call me  
Iâ€™ll be there to god you  
When you call me  
Iâ€™ll be there for you  
When you call me  
Iâ€™ll be there to god you  
When you call me  
Iâ€™ll be there for you

I remembering the scars  
And wants I know you  
Suffer from the rain  
Is there anything that  
I can do to free a so  
From of the pain  
Wave your everlasting worlds  
You tired so hard and  
Tell me that your gun  
But Iâ€™m never ever stop believing  
That you live me all along

When you call me  
Iâ€™ll be there to god you  
When you call me  
Iâ€™ll be there for you  
When you call me  
Iâ€™ll be there to god you

When you call me  
Iâ€™ll be there for you
