

# Hands Open

## Snow Patrol

It's hard to argue when  
you won't stop making sense  
But my tongue still misbehaves and it  
keeps digging my own grave with my Hands open, and my eyes open  
I just keep hoping  
That your heart opens Why would I sabotage  
The best thing that I have  
Well, it makes it easier to know  
Exactly what I want with my  
Hands open and my eyes open  
I just keep hoping  
that your heart opens It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy Put Sufjan Stevens on  
and we'll play your favorite song  
"Chicago" bursts to life and your  
sweet smile remembers you, my  
Hands open, and my eyes open  
I just keep hoping  
That your heart opens It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy
