If You Love Somebody

Kevin Sharp

Mount Everest, I'll climb it
No problem, just say when
Mississippi, I'll swim it
Down to the delta and back againIf you love somebody, it ain't that hard
If you love somebody, to go that far
Well, there ain't no limit to the things you do
If you love somebody, the way that I do youGet a ladder, a cheap guitar
And serenade you under the stars
Scream and shout, make a scene
Tell the world that you're the girl of my dreamsIf you love somebody, that's what you do
If you love somebody, and your love is true
You don't think twice about being a fool
If you love somebody, the way that I do youSend me down the river with my soul on fire
The thought of you makes the weight of this
World seem a little bit lighter
If you love somebody, if you love somebodyOoh, send me down the river with my soul on fire
The thought of you makes the weight of this
World seem a little bit lighter
Taking me higher, higherIf you love somebody, you do anything
If you love somebody, you jump up and sing
Well, there ain't no limit to the things you do
If you love somebody, the way that I do youIf you love somebody, that's what you do
If you love somebody, and your love is true
Well, there ain't no limit to the things you do
If you love somebody, the way that I do you
The way that I do you, girl
