Kindness

Bad Veins

I might be inclined to put you down
But I'm trying to find some way around
We might be compelled to disagree
But I'll give you this one guaranteeI'm gonna kill you. I'm gonna kill you with kindness
I'm gonna kill you. I'm gonna kill you with kindnessI'm breaking out while you're breaking in
'Cause you're more at home under my skin
You're opinion seemed beyond absurd.
But I mean it, I give you my wordI'm gonna kill you. I'm gonna kill you with kindness
I'm gonna kill you. I'm gonna kill you with kindness, with kindness'Cause when it comes to hurting you, I know one thing.
I've got this ammunition and it's sure to stay
I'm gonna kill you. I'm gonna kill you with kindness, with kindness
I'm gonna kill you. I'm gonna kill you with kindness, with kindness
