

Lies (feat. Bruce Fitzhugh & Stephanie Pierce)

Evanscence

Bound at every limb by my shackles of fear
Sealed with lies through so many tears
Lost from within, pursuing the end
I fight for the chance to be lied to again
You never were strong enough
You you never were good enough
You were never conceived in love
You will not rise above
They'll never see
I'll never be
I'll struggle on and on to feed this hunger
Burning deep inside of me
But through my tears breaks a blinding light
Birthing a dawn to this endless night
Arms outstretched, awaiting me
An open embrace upon a bleeding tree
Rest in me and I'll comfort you
I have lived and I died for you
Abide in me and I vow to you
I will never forsake you
They'll never see
I'll never be
I'll struggle on and on to feed this hunger
Burning deep inside of me
They'll never see
I'll never be
I'll struggle on and on to feed this hunger
Burning deep inside of me
