Sweeter

Julie Doiron

Sure is nice to see you
You look good these days
Talking's not so easy
I wish I had more to say

And you turn away, and I wonder
Was it something I said?
And what can I do to make this change?

Your smile is a sweetness (or sweetener?)
It really makes my day
And you get sweeter and sweeter
In every possible way

Then you turn away, and I wonder
Was it something I said?
And what can I do to make this change?
