

# Difficulty

## Kt Tunstall

Isn't much more I can do for you  
Isn't much more that I can try  
Twisting myself into shapes  
To stop you crying  
What'll I do if I lose you?  
What'll I do if I lose?  
Difficulty is coming my way  
Coming my way  
Making my way into places  
Only been seen on your darkest days  
Breaking my heart to take a walk  
Into your jungle  
What can I do in this world for you  
If difficulty is my friend?  
Keeping me company when I know  
I don't need it, I don't need it  
You change every day  
You change every day  
(What can I do to make you notice?)  
You change every day  
You change every day  
(A little more time to bring you home)  
You change every day  
You change every day  
How can I tell you the truth  
When I don't want to?  
Possible days in my future  
Possible ways into my past  
Sewing it up nice and tightly  
So I don't wonder  
What if I did so much more for you  
And what if I'd said so much more?  
Difficulty would be a stranger  
  
A stranger to me  
You change every day  
You change every day  
(What can I do to make you notice?)  
You change every day

You change every day  
(A little more time to bring you home)  
You change every day  
You change every day  
How can I tell you the truth?  
Oh-whoa, yay-ay, oh-whoa, yay-ay  
Oh-whoa, yay-ay, I'm governed by difficulty  
Oh-whoa, yay-ay, oh-whoa, yay-ay  
Oh-whoa, yay-ay, I'm governed by difficulty  
Oh-whoa, yay-ay, oh-whoa, yay-ay  
Oh-whoa, oh-whoa, oh-whoa, oh, oh, oh  
You change every day  
You change every day  
(What can I do to make you notice?)  
You change every day  
You change every day  
(A little more time to bring you home)  
You change every day  
You change every day  
How can I tell you the truth  
When I don't want to?  
When I don't want to  
When I don't want to  
When I don't want to  
When I don't want to  
When I don't want to  
When I don't want to
