Deeper Still

Incognito

Deeper I fall, and deeper still, deeper I fall, and deeper still

The way that you love me, I really canâ€™t compare
And thereâ€™s no metaphor or simile, no analogy can take me there
Thereâ€™s no way I can say it, at least not with words
Youâ€™re an ocean that fills up every line of this verse

Iâ€™m falling down, but it feels like flying
I hit the ground, but I wonâ€™t be cryinâ€™
Can you imagine if we dived in underneath
Wonâ€™t you come and bathe in this ocean with me

Deeper than the fathoms to the ocean floor and deeper still
The way you love me
Deeper than the feelinâ€™ that I knew before, and deeper still
Come on, Iâ€™m diggin it baby

The way that I see you, Itâ€™s always fresh in my mind
Round every corner than I turn around youâ€™re the only face I find
Thereâ€™s no way I would change this, itâ€™s just what itâ€™s supposed to be
Youâ€™re ocean that fills up every single inch of me

Iâ€™m falling down, but it feels like flying
I hit the ground, but I wonâ€™t be cryinâ€™
Can you imagine if we dived in underneath
Wonâ€™t you come and bathe in this ocean with me
