

My One and Only Love

George Cables

[originally by Frank Sinatra]The very thought of you makes my heart sing
Like an April breeze
On the wings of spring
And you appear in all your splendor
My one and only loveThe shadows fall and spread their mystic charms
In the hush of night
While you're in my arms
I feel your lips so warm and tender
My one and only loveThe touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek whenever I speak
Tells me that you are my own
