

# The Scene

## Big Sugar

Now, take a look at me and tell me what you see  
I'm only six feet tall but I'm righteous y'all  
And I want you to know that I'm good to go I ain't the super fly, don't you pass me by  
Here I am, I'm on the scene Feel like I just can't lose  
And I got a shine on my shoes  
You don't know my name  
But I'm here just the same I ain't your back door man  
But, oh, yes I can  
Here I am, I'm on the scene  
Here I am, I'm on the scene I wanna know, do you like to get high?  
I'm too afraid to try, I ain't your fantasy  
But I can shake your tree  
And I want you to know, I'm still good to go I ain't the settin' sun  
But I can get the job done  
Here I am, I'm on the scene  
Here I am, I'm on the scene  
Yes I am, I'm on the scene I'm on the scene  
I'm on the scene  
I'm on the scene  
I'm on the scene I'm on the scene  
I'm on the scene  
I'm on the scene  
Yes, I am You have one new message, first message  
"I'm a simple man, looking for a hang out  
How can you resist such a simple plead?"
