

The Boppers

The sun shining,
 The glint in your eye,
 Your beautiful face,
 Your beautiful face.
 I held her tight,
 Close to my heart.
 I didn't know it would break,
 Didn't know it would break.
 I don't believe there's a love anymore,
 It's all insight.
 We always said its forever and
 This beautiful life.
 Do do do do do do do do do do do do
 And Im trying not to feel this music's for you...
 And over HEH!
 And over HEH!
 And over HEH!
 And Im trying not to feel this music's for you...
 And over HEH!
 And over HEH!
 And over HEH!
 I heald her tight,
 Close to my heart.
 I didn't know it would break.
 I didn't know it would break.
 I don't believe there's a love anymore,
 Its all insight.
 We always said its forever and
 This beautiful life...
 And Im trying not to feel this music's for you...
 And over HEH!
 And over HEH!
 And over HEH!
 and I'll try not to feel this music's for you...
 And over HEH! x19
 And over-her
 It's alright,
 It's alright,
 It's alright,

It's al-RIGHT
