disturbia

Rihanna(è•¾å“ˆå¨œ)

What's wrong with me?
Why do I feel like this?
I'm going crazy nowNo more gas, in the rig, can't even get it started
Nothing heard, nothing said, can't even speak about it
On my life, on my head, don't wanna think about it
Feels like I'm going insane, yeahIt's a thief in the night to come and grab you
It can creep up inside you and consume you
A disease of the mind, it can control you
It's too close for comfortThrow on your break lights, you're in the city of wonder
Aint gon play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wiseYour minds in disturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, aint used to what you like
Disturbia, disturbiaBum Bum Be Dum Bum Bum De Dum Dum x4Faded pictures on the wall, it's like they talking to me
Disconnecting on calls, the phone dont even ring
I gotta get out or figure this sh** out
It's too close for comfort, ohIt's a thief in the night to come and grab you
It can creep up inside you and consume you
A disease of the mind it can control you
I feel like a monster, ohThrow on your break lights, you're in the city of wonder
Aint gon play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wiseYour minds in disturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, ain't used to what you like
Disturbia, disturbia, disturbiaBum Bum Be Dum Bum Bum De Dum Dum x4Release me from this curse I'm in
Trying to maintain but I'm struggling
If you can't go-o-o
I think I'm gonna ah, ah, ah, ahThrow on your break lights, you're in the city of wonder
Aint gon play nice, watch out you might just go under
Better think twice, your train of thought will be altered
So if you must falter be wiseDisturbia, it's like the darkness is light
Disturbia, am I scaring you tonight?
Disturbia, ain't used to what you like
Disturbia, disturbiaBum Bum Be Dum Bum Bum De Dum Dum x4
