

# J.F.K.'s L.S.D.

## Hot Hot Heat

Nobody knows what's gonna happen now  
Sold all nine daughters and traded all the cows  
Salute the 21st century dreamers as we wake up in a jail cell  
Let the people think you're hiding something better than what you got  
It sure beats hiding nothing  
Paranoid? you can't blame me it's just JFK's LSD  
We signed a waiver now we're testing, testing, 123  
Can't get enough  
Got quite a hunch you're scratching someone's crack  
Don't let them fool, you lobotomies are back!  
Salute the 21st century genius  
Throw grenades instead of baby showers
