Too Late, Too Soon

Jon Secada

Tender was the night
Took an early flight
Rushing' home tonight
Something' wasn't rightI can't believe my eyes
I know I must be dreamingDid I come home too late, too soon?
You in his arms told me the truth
Too late, too soonI wish I would have known
I wouldn't have left you all alone
Temptation led you wrong
Tell me how long has this been going on?'Cause I thought our love was strong
But I guess I must be dreaming, yeahDid I come home too late, too soon?
You in his arms told me the truth
Too late, too soon, baby, yeahWhat was I supposed to do?
You had to see it for yourself
Had to see it for yourself'Cause I thought our love was strong
But I guess I must be dreamingDid I come home too late, too soon?
You in his arms told me the truth
Too late, too soon
