

Don't Look Now (feat. Keri Hilson)

Far East Movement

Don't look now.

I saw you dancing on that speaker box, girl what's your name?

I see you texting on that B.B.M., can we exchange?

I got two glasses at my table, can I show you the way?

Tonight's the night to let it go, go, girl it's okay.

Yeah, I'm not looking for no strings, you're not looking for a ring

If you're ready for this fling, then meet me in the back.

I never knew it'd be like this, such an unexpected twist

Started off with just a kiss, I don't know how to act. Dear heart, I know I said I'd take it slow

I know I swore on everything I own

But I can't resist, how's just one kiss?

But don't look now

You've got me going, I'm going, I'm gone.

Don't look now

You've got me going, I'm going, I'm gone

Don't look now

I can't resist, how's just one kiss?

Don't look now. My heart is pumping like that bass before I pick you up

The way we stole each others hearts we playing Stick em up

I take a shot of Ciroc to get me in the zone now

She took a step out the door, from head to toe she's all 'wow'

I'm not looking for no strings, you're not looking for a ring.

If you're ready for this fling, then meet me in the back.

I never knew it'd be like this, such an unexpected twist

Started off with just a kiss, I don't know how to act. Hey, uh, I know I promised you I'd take it slow

I know I swore on everything I own

But I can't resist, how's just one kiss?

But don't look now

You've got me going, I'm going, I'm gone.

Don't look now

You've got me going, I'm going, I'm gone

Don't look now

I can't resist, how's just one kiss?

Don't look now. Somethin' 'bout this girl

She shakin' up my world

She got me doin' things I never did before.

Damn, there's somethin' 'bout this girl

She shakin' up my world

She got me out my zone, I'm losin' all control. Somethin' 'bout this girl

She shakin' up my world
She got me doin' things I never did before.
Damn, there's somethin' 'bout this girl
She shakin' up my world
She got me out my zone, I'm losin' all control. Hey, uh, I know I promised you I'd take it slow
I know I swore on everything I own
But I can't resist, how's just one kiss?
But don't look now
You've got me going, I'm going, I'm gone.
Don't look now
You've got me going, I'm going, I'm gone
Don't look now
You've got me going, I'm going, I'm gone
Don't look now
You've got me going, I'm going, I'm gone
Don't look now.
