

Spookshow Baby

Rob Zombie

Oh, high noon, dead moon
A hangin' all over you, yeah
Devilman, yes, I can
Cut a little piece of you, yeahHunger, inside you
Hunger
Hunger, destroy you
HungerSwift might, dead night
Well, that's all right for you, yeah
A voodoo man, yes, I can
Tear it all down for you, yeahShe's a killer, she's a thriller
Spookshow baby
She's a killer, she's a thriller
Yeah, spookshow babyRed rain, no pain
Fallin' down over you, yeah
Wicked man, yes, I can
A walkin' all over you, yeahHunger, inside you
Hunger
Hunger, destroy you
HungerShe's a killer, she's a thriller
Spookshow baby
She's a killer, she's a thriller
Yeah, spookshow babyBright glove, mad love
A movin' all over you, yeah
Psycho man, yes, I can
A do it all over for you, yeahShe's a killer, she's a thriller
Spookshow baby
She's a killer, she's a thriller
Yeah, spookshow baby
