Cross to Bear

A Bad Think

Twisted, turning, crashing, burning
All this just to break me downYou don't know me, you don't see me
You don't know me because I don't care
But I'm still here, patiently waiting for you to disappear
Is this my cross to bear?Faceless, faking, pressure, taking
All this just to bring me downYou don't know me, you don't see me
You don't know me because I don't care
But I'm still here, patiently waiting for you to disappear
Is this my cross to bear?You don't know me
You don't know me because I don't care
But I'm still here, patiently waiting for you to disappear
Is this my cross to bear?I'm still here, reluctantly waiting for you to interfere
Is this my cross to bear?
