

Where or When

Barry Manilow

It seems we stood and talk like this before
We look at each other in the same old way there
But I can't remember where or when The clothes you're wearing are the clothes you wore
The smile you're smiling, you where smiling then
But I can't remember where or when Something's that happened for the first time
Seem to be happening again
And so it seems that we have met before
And laugh before and loved before
But who knows where or when Something's that happened for the first time
Seem to be happening again
And so it seems, we have met before
And laugh before and loved before
But who knows where or when
