

It's Not Over Yet

for KING & COUNTRY

They are inside your head
you gotta voice that says
"You won't get pass this one,
you won't win your freedom" It's like a constant war
and you want to settle that score
but you're bruised and beaten
and you feel defeated This goes out to the heaviest hearts Oh, to everyone who's hit their limit,
it's not over yet, it's not over yet-et,
and even when you think you're finished,
it's not over yet, it's not over yet-et Keep on fighting,
out of the dark and into the light (it's not over),
hope is rising,
never give in, never give up, it's not over Yet-et-et Oh-whoa-a
Yet-et-et Oh-whoa-a Oh, game, set, match
time to put it in your past, oh
feel the winter leaving, it's redemption season,
long live the young at heart (here we are),
cheers to a brand-new start (here we are),
we're revived and breathing
to live a live of freedom Oh, to everyone who's hit their limit,
it's not over yet, it's not over yet-et,
and even when you think you're finished,
it's not over yet, it's not over yet-et Keep on fighting,
out of the dark and into the light (it's not over),
hope is rising,
never give in, never give up, it's not over Yet-et-et Oh-whoa-a
Yet-et-et Life is a race we run,
so run 'til the race is won,
don't you ever give up, oh no, never give up Life is a race we run,
so run 'til the race is won,
don't you ever give up, oh no, never give up Oh, to everyone who's hit their limit,
and even when you think you're finished,
it's not over yet Oh, to everyone who's hit their limit,
it's not over yet, it's not over yet-et,
and even when you think you're finished,
it's not over yet, it's not over yet-et Keep on fighting,
out of the dark and into the light (it's not over),
hope is rising,
never give in, never give up, it's not over Yet-et-et Oh-whoa-a

Yet-et-et Oh-whoa-a
Yet-et-et Oh-whoa-a
Yet-et-et Oh-whoa-a
