

# Gonna Go Huntin' Tonight

**Hank Williams, Jr.**

I'm gonna shine up my boots pick out my best hat  
Goin' to a place called the Old Briar Patch  
Gonna get loose and I'm gonna have fun  
Gonna go huntin' but I won't need a gun now Well the season's always open and there ain't no limit you see  
And they can be more challenging than a rocky mountain sheep  
I have hunted them four legged deer but the two legged are a lot more fun  
I'm gonna go huntin' tonight Lord but I ain't takin' no gun No the kind of game I'm lookin' for is not that hard  
to snare  
But they can be more dangerous than a big old grizzly bear  
They got long claws long legs and a skin already tanned in the sun  
Gonna go huntin' tonight Lord but I ain't takin' no gun Now those big old beautiful wildcats they're the kind  
that are hard to track  
The joint is crawlin' with the other hunters and the she cats are doublin' back  
Now is the time for patience don't fire on the first one  
Don't waste your bullets on a little bitty baby get a full grown woman
