

She'd Rather Be With Me

The Turtles

Some girls like to run around, like to handle everything they see
But my girl has more fun around and you know she'd rather be with me

Me-oh my, lucky guy is what I am
Tell you why, you'll understand
She don't fly although she can

Some boys like to run around, they don't think about the things they do
But this boy wants to settle down and you know he'd rather be with you

Me-oh my, lucky guy is what I am
Tell you why, you'll understand
She don't fly although she can

Some girls like to run around, like to handle everything they see
But my girl has more fun around and you know she'd rather be with
Yeah, she'd rather be with
You know she'd rather be with me

And you know she'd rather be with me
And you know she'd rather be with me
And you know she'd rather be with me
