

# Let Me Talk To You

[Waylon Jennings](#)

Just one more dance, just one more chance so I can talk to you  
We've both have paid, don't be afraid, just let me try to prove  
I would do anything you want me to  
Just one more dance, just one more chance, let me talk to you  
Don't go too far with that crowd at the bar  
That's not the way to win, let's fall in love again  
Give me your heart and let me start to build our life anew  
Just one more dance, just one more chance, let me talk to you  
Just one more dance, just one more chance, let me talk to you
