

# Forever and a Day

## The Dissociatives

Waiting for this jury to unwind  
Cause its been so hard wearing my heart up my sleeve  
Words won't say the sounds that I can hear  
A thousand sunshine's on rainclouds  
The truth is I'd believe and beForever and a day  
So cold without you"Lonely without you"  
Whenever you're away  
I'm starting to doubt you"So cold, so cold"  
Time has never been a friend of mine  
But it has owed me a favor  
Since everything was fine  
And I'm desperate change,  
As familiar as the moon  
I'm feeling lonely and stable and  
It's believed that soon I'll be
