Attracted to You

Terence Trent D'Arby

Everything I got
Everything I need
And everything that I have
Learned about Time
Every word I speak
Every pound I keep
And everything that I have
Learned about Rhyme
Everything I got is
Attracted to you babeEvery noun I know
And every adjective
And everything that's on
A Ticket to Ride
All my relatives
They seem to think your a whore
But to me a whore's a Queen in disguise
Everything I got is
Attracted to you babeEverything I got
Everything I need
And everything that I have
Learned about Time
Every word I speak
Every pound I keep
And everything that I have
Learned about Rhyme
Everything I got is
Attracted to you babe
