# One Day In Your Life

## 54-40

I know that's just the way it goes
And you ain't right for sure
You turned your back on love
For the last time
It won't take much longer now
Time makes me stronger way
There's nothing more to say
One day in your life said love would remind you
How could you leave it all behind
One day in your life, it's gonna find you
With the tears that left me cry
And baby I'm stronger than before
You gotta play it on the line
Maybe one day in your life
My love, did you think
I'd break down and cry?
This thing we had, it meant the world to me
Guess I would try
It won't take much longer now
See time makes me stronger way
And I know you'll be coming 'round some day
One day in your life, said love would remind you
How could you leave it all behind
One day in your life, it's gonna find you

With the tears that left me cry
And baby I'm stronger than before
You gotta play it on the line
And maybe one day in your life
You called me in the midnight hour
With your velvet lights
So many sleepless nights, I wonder
Is it time to say goodbye? Ooh yeah
One day in your life, said love would remind you
How could you leave it all behind?
One day in your life, it's gonna find you
With the tears that left me cry
And baby I'm stronger than before
You gotta lay it on the line

And maybe one day in your life
One day
One day in your life, said love would remind you
How could you leave it all behind?
One day in your life, it's gonna find you
With the tears that left me cry
And baby I'm stronger than before
You gotta play it on the line
