

Nothin' but Trouble

Foghat

For the love of a woman, well, many a man
Has wound up cryin', tryin' to understand
I've had my share of heartache and pain
I'm not worried now, I'm not ashamed My first time lover I was just seventeen
We made love and I was lost in a dream
She said that nothin' would ever go wrong
I woke up one mornin' guess what? She was gone Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble So many nights I spent alone
Just me and that damn telephone
Holdin' for love but waiting in vain
The same old feelin' and it's drivin' me insane Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble For the love of a woman, I searched high and low
Hopin' that someday I'd be troubled no more
I guess I was wrong in so many ways
Now I'll be in trouble for the rest of my days Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble, trouble Nothin' but trouble, nothin' but trouble Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble, yeah Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
