

Summer Paradise (French Version)

Simple Plan

I gotta find my way back
Back to summer Paradise
Sean Paul, Simple Plan
Mon coeur s'enfonce et
Je m'envole dans
cet avion qui m'emmene loin de toi
Et j'ai du mal a
Croire qu'on se quitte
Dis-moi que c'est bien la derniere fois
Mais un jour
Je te retrouverai ici, mon amour
Sous l'ombre des palmier
Stay in my name
'Cause I remember every sunset
I remember every word you said
Le soleil efflaurait ta peau
On chantait la-la-da-da-da
Je ne pense qu'a retourner
Back to summer paradise with you
And I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
Tell-em
Dehors la neige ne cesse de tomber
Il ne manque que toi pour oublier
Je reve au sable et a la mer
J'ai t'en besoin de toi a mes cotes
Baby girl
Dans cette vie si belle
L'ete dans le ciel
Mais dans ta main
on oublie demain
Make so noise!
'Cause I remember every sunset
I remember every word you said
Le soleil efflaurait ta peau

On chantait la-la-da-da-da
Je ne pense qu'a retourner
Back to summer paradise with you
And I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
The promises that we made to about our friends
Thinking about it
Sunshine under trees,
Summertime on the beach,
Oh fine, we get closer under them tress,
Baby girl, you already got to me
Its three oclock, and were together and the time doesnt leave
In a heartbeat girl
Sex on the beach
Dont stand your world, ask me Imma rich
Loving you girl is the best part of me
Mais un jour
Je te retrouverai ici, mon amour
Sous l'ombre des palmiers
Bring it back, bring it back
Rewind
'Cause I remember every sunset
I remember every word you said
Le soleil efflaurait ta peau
On chantait la-la-da-da-da
Je ne pense qu'a retourner
Back to summer paradise with you
And I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
I'll be there in a heartbeat
Quick time, quick time girl
Oh-ohh!
Summer Paradise baby
I'll be there in a heartbeat
