Twilight

U2

I look into his eyes
They're closed but I see something
A teacher told me why
I laugh when old men cryMy body grows and grows
It frightens me you know
A old man tried to walk me home
I thought he should have knownTwilight
Twilight, lost my way
Twilight, can't find my wayIn the shadow boy meets man
In the shadow boy meets man
In the shadow boy meets man
In the shadow boy meets manI'm running in the rain now
I'm caught in a late night play
It's all, it's everything
I'm soaking through the skinTwilight, darkened day
Twilight, lost my way
Twilight, night and day
Twilight,can't find my way
Can't find your way
Can't find my way
Can't find your wayTwilight, darkened day
Twilight, lost my way
Twilight, night and day
Twilight, can't find my wayIn the shadow boy meets man
In the shadow boy meets man
In the shadow boy meets man
In the shadow boy meets man
