Come As You Are

Geoff Moore

There Is A Thread
Running Between
The First And The Last
Breath That We BreatheAnd In This Strand
Of Flesh And Bone
Reside The Hopes
And Dreams We Call Our OwnAnd There's A Hand
That Sews The Threads Together
Around One Strand
Of Saving Scarlet ThreadCome As You Are
Weary, Worn, And Tattered
Come And Take
Your Place Among The ThreadsThere Is A Thread
Sometimes Unseen
Moving Through Life's Tapestry
And When This Strand
Enters A Soul
It's Woven To The One That Makes
Us WholeAnd There's A Hand
That Sews The Threads Together
Around One Strand
Of Saving Scarlet ThreadCome As You Are
Weary, Worn And Tattered
Come And Take Your Place
Among The Threads
Come And Take Your Place
Among The Threads
