

# Icon Of Dominance

## Lordi

Would you be satisfied if I told you lies would it make it right  
No I won't justify your masquerade like cries I know it will go by  
There is no soul no soul could chain mine and call it it's own  
I'll be your reason to loathe shoot you futile bolt don't push it I know you know  
You're held by the cold do what you are told the icon of dominance  
Distort it all you can your full blown masterplan will get you in a jam  
When cheers form into jeers despair is drawin' near glances grow to become the weapons of fear  
There is no soul no soul could chain mine and call it it's own I'll be your reason to loathe shoot you futile bolt  
don't push it I know you know  
You're held by the cold do what you are told the icon of dominance  
Can't you see me can't you see me stalking day dream escape surreal haze  
Distort it all you can there is no soul no soul could ever make me it's own  
I'll be your reason to loathe shoot you futile bolt don't push it I know you know  
You're held by the cold do what you are told the icon of dominance  
Reason to loathe shoot you futile bolt don't push it I know you know  
You're held by the cold do what you are told the icon of dominance aw
