Bird In the Hand

Sebadoh

All washed down the drain
All washed down the drain
Take it home with you
I dont know what to say to you
And I know how it can beDrop to the whisper
And take it while you can
Its only a little bird
In the palm of your big handRacked my brain
And now Im confused as hell
I dont know what you want
If its all the same
I think Ill go on homeDroppin' a whisper
And take it while you can
Its only a little bird
In the palm of your big hand
