

# Chain Gang

## Otis Redding

That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang All day long they work so hard  
Till the sun's comin' down  
Workin on the highways and biways  
And wearin a frown I hear them moanin' their lives away  
And then you hear somebody say That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang Hear someone sayin'  
Whoa I work, work so hard  
See my woman, who I love so dear  
But I, I've got to work right here That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang My, my, my, my, I work so hard  
Give me water, I'm thirsty  
Whoa I, I work so hard You hear them moanin' their lives away  
And then you hear somebody say That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang  
That's the sound of the men  
They are working on the chain gang
