

# Lemon

## Daddy Issues

If I had a head I'd rest it on your shoulder  
Yeah, I would come over  
But I think I have pneumonia  
Yeah I really wanna  
Don't come any closer Wish I was doing downers  
On a beach in California  
Taking a siesta  
Laying there for hours  
Yeah I really wanna  
Maybe it'd be better Will I come back from  
Feeling self-centered  
Am I a lemon  
I've been sucking my thumb and I think I'm sour  
If I could take a deep breath  
I'd tell you that we're still friends  
I hate that it's your birthday  
Cause I think I'm staying in again  
Yeah I really wanna  
Maybe when I'm better
