

# **Sunlight (Armand Van Helden Remix)**

## **Bag Raiders**

Hold tight at midnight  
Am I dreaming or are you beaming out?  
Are you beaming out?Like light, snow white  
Red fluorescence, iridescence now  
Are you beaming out?Don't you know that  
When I see your face  
It's like sunlight drippingWhen I see your face  
It's like sunlight drippingYou're just like  
You're just like  
Sunlight  
SunlightYou're just like  
You're just like  
Sunlight  
Sunlight
