Knockin' Da Boots

H-town

Yeah, we doin' this one for all da ladies, ha, H-town boys
Kickin' it with my boy Luc
Fo da ?93 you know what I'm sayin'?
?Cause we will be knockin' da boots
G.I. Shazzam and Dino
They gon? do something a lil' sexy like you know what I'm sayin'?
Yo, check da verse
A late night, I thought to back to when we made good love
Listening to some Marvin Gaye all night long
But I want that whole thing back
Make these moments once again go right
So won'tcha, so won'tcha, do it for us babe
Good loving body rockin? knockin' boots all night long, yeah
Making love until we?re tired, till the break of dawn, oh come on
Oh come on and turn the lights down and let me get on it yeah
'Cause when I do just me and you, it?ll be so right
Give me some good love
(Some body rockin', knockin' da boots)
Give me some good love
(Some body rockin', knockin' da boots)
Some body rockin' baby, Give me some good love
(Some body rockin', knockin' da boots)
That?s all I need, I need
Give me some good love
(Some body rockin', knockin' da boots)
I feel so good when I?m near you
That?s why I always wanna be close to you
I'm so addicted, I'm so addicted to making love to you baby
All night long baby, all night long long long
Good loving body rockin? knockin' boots all night long, oh oh
Making love until we?re tired, till the break of dawn, ohh come on
Oh come on and turn the lights down and let me get on it, oh
'Cause when I do just me and you, it?ll be so right so right so right
Give me some good love

(Some body rockin', knockin' da boots)
Give me some good love
(Some body rockin', knockin' da boots)
That?s all I want baby yeah

Give me some good love
(Some body rockin', knockin' da boots)
Give me some good love
(Some body rockin', knockin' da boots)
Some sweet rocking, some sweet love
(Some body rockin', knockin' da boots)
Giving you mounts of pleasure 'cause I'm ready
(Some body rockin', knockin' da boots)
I'm so ready, I'm so ready baby
(Some body rockin', knockin' da boots)
To give you every thing that we?ve been waiting on
So come on and give it to me babe
(Some body rockin', knockin' da boots)
Aww yeah right about now were in the intermission tip
So all you ladies go get your towels you know what I'm saying
Hah 'cause it's laid out like that you know?
But wait a minute we ain't through, kick the amp
Woah oh ooh
Ooohh aww babe
I want your good touch baby
You hearin' me my baby?
It's driving me crazy
(Some body rockin', knockin' da boots)
So won'tcha come on
Come and rock my body, rock my body baby
Go on and rock my body
Yeah, I wanna lay you down
(Some body rockin', knockin' da boots)
So let me make some sweet love
