

# Knockin' Da Boots

## H-town

Yeah, we doin' this one for all da ladies, ha, H-town boys  
Kickin' it with my boy Luc  
Fo da ?93 you know what I'm sayin'?  
?Cause we will be knockin' da boots  
G.I. Shazzam and Dino  
They gon? do something a lil' sexy like you know what I'm sayin'?  
Yo, check da verse  
A late night, I thought to back to when we made good love  
Listening to some Marvin Gaye all night long  
But I want that whole thing back  
Make these moments once again go right  
So won'tcha, so won'tcha, do it for us babe  
Good loving body rockin? knockin' boots all night long, yeah  
Making love until we?re tired, till the break of dawn, oh come on  
Oh come on and turn the lights down and let me get on it yeah  
'Cause when I do just me and you, it?ll be so right  
Give me some good love  
(Some body rockin', knockin' da boots)  
Give me some good love  
(Some body rockin', knockin' da boots)  
Some body rockin' baby, Give me some good love  
(Some body rockin', knockin' da boots)  
That?s all I need, I need  
Give me some good love  
(Some body rockin', knockin' da boots)  
I feel so good when I?m near you  
That?s why I always wanna be close to you  
I'm so addicted, I'm so addicted to making love to you baby  
All night long baby, all night long long long  
Good loving body rockin? knockin' boots all night long, oh oh  
Making love until we?re tired, till the break of dawn, ohh come on  
Oh come on and turn the lights down and let me get on it, oh  
'Cause when I do just me and you, it?ll be so right so right so right  
Give me some good love  
  
(Some body rockin', knockin' da boots)  
Give me some good love  
(Some body rockin', knockin' da boots)  
That?s all I want baby yeah

Give me some good love  
(Some body rockin', knockin' da boots)  
Give me some good love  
(Some body rockin', knockin' da boots)  
Some sweet rocking, some sweet love  
(Some body rockin', knockin' da boots)  
Giving you mounts of pleasure 'cause I'm ready  
(Some body rockin', knockin' da boots)  
I'm so ready, I'm so ready baby  
(Some body rockin', knockin' da boots)  
To give you every thing that we've been waiting on  
So come on and give it to me babe  
(Some body rockin', knockin' da boots)  
Aww yeah right about now were in the intermission tip  
So all you ladies go get your towels you know what I'm saying  
Hah 'cause it's laid out like that you know?  
But wait a minute we ain't through, kick the amp

(Some body rockin', knockin' da boots)
