

Come Back to Me

Tamer Hosny

I was the luckiest man on earth
but didn't know the worth of having a great woman,
you deserve to be first
but now I'm cursed cuz I hurt you and led you astray
but then you reversed the pain and hurt me in the worst way
I know I did you wrong
but the way you made me pay
how could you be so heartless like kanye say
I know you're tired of excuses
but I'm to do what's right
so if you come back into my life, it's as my wife

The love I gave to you
can't give to another girl... another girl
cuz girl you're the only one... the only one
that brought joy to my world
the love I gave to you... the love I gave to you
can't give to another girl
cuz girl you're the only one... you're the only
that brought joy to my world
