

# Down to the River

**Buck Owens**

I'm a going down down down to the river  
And there ain't nobody gonna have to hold my hand  
I'm a going down down down to the river  
Gonna bury my troubles in the river bottom sand  
You said goodbye to me this morning and slowly walked out of  
my life  
I don't know how I'll live without you I only know I've gotta try  
I'm a going down down down...  
[ steel ]  
The telephone has started ringing friends call to see if it is true  
I don't know words to say it's over I only know that I love you  
I'm a going down down down...
