

Devotion

Earth, Wind & Fire

Through devotion, blessed are the children
Praise the teachers, that brings true love to many
Your devotion, opens all life's treasures
And deliverance, from the fruits of evil
So our mission to bring a melody
Ringin' voices, sing sweet harmony
For you here's a song to make your day brighter
One that will last you long through troubled days
Giving your heart the light to brighten
All of the dark that falls in your way
You need devotion, bless the children
Deliverance from the fruits of evil
You need devotion, bless the children
Deliverance from the fruits of evil
In everyone's life, there's a need to be happy.
Let the sun shine, a smile your way.
Open your heart, feel a touch of devotion.
Maybe this song, will help uplift your day.
Yeah yeah yeah, oh Lord, bless the children
Deliverance from the fruits of evil
You need devotion, bless the children
Deliverance from the fruits of evil
You need devotion, bless the children
Deliverance from the fruits of evil, you need devotion
