

Snake

[Megan McCauley](#)

So you've got alot of friends
You don't even notice me
Yeah, I like to be alone
That's why, actually I think about you all the time
I think about it all day
What it's like to be your girl
In that special kind of way But I'm never gonna kiss you
No, I'm never gonna be with you
'Cause, I'm never gonna fuck you
I own a snake, oh yeah So you got like twenty cars
And your sneakers are so new
I wonder what it's really like
But I don't even got a clue The girls you talk to are so tall
I really wish that wasn't me
I wanna get inside your pants
But it's never gonna be 'Cause I'm never gonna kiss you
No, I'm never gonna be with you
'Cause, I'm never gonna fuck you
I own a snake, oh yeah Can you just pretend
That I'm somebody else
Bet you could do it
Yeah, I could do it We could rule the world
Like brad and angelina (?)
Oh, yeah
I can see it But it's never gonna be No, I'm never gonna kiss you
No, I'm never gonna be with you
'Cause, i'm never gonna fuck you
I own a snake, oh yeah No, I'm never gonna kiss you
No, I'm never gonna be with you
'Cause, i'm never gonna fuck you
I own a snake, oh yeah
