Man Alive

The gig is up!
And we're up for getting some closure tonight
The end has come!
We're through being those that won't put up a fight'Cause it's taken time
To realize
It's raining liesI'd say
Whoa, whoa, whoa, whoa
I'm through believing
(3x)Whoa, whoa, whoa, whoa
I'm through believing youI've held it in!
And sitting in silence was all that I did
Until that day!
I saw all the garbage that I had within'Cause it's taken time
To realize
It's raining liesI'd say
Whoa, whoa, whoa, whoa
I'm through believing
(3x)Whoa, whoa, whoa, whoa
I'm through believing youI won't keep my silence!
I won't keep it in!
I won't sit around until deception comes and wins
(4x)Oh yeah
